## **PRESS RELEASE**

FOR IMMEDIATE RELEASE:

### **Richard Novia Joins Gig Werks**

**NEW YORK – October 10, 2011** - Award Winning SharePoint Solution provider Gig Werks is proud to announce that Richard Novia has recently joined the Gig Werks team and will be the newest Account Manager at Gig Werks.

Richard's vast experience in technology and dealing with customers makes him an ideal fit for the company and will help enhance the experience clients have with Gig Werks.

#### **About Richard Novia**

Prior to joining Gig-Werks Richard was vice president of sales at the best solution, inc. A long standing Microsoft Dynamics Partner and reseller of GP. He also serves as the President of the CT Chapter of the IAMCP (International Association of Channel Microsoft Partners) for the past 4 years.

Richard is a strong leader in sales initiatives, having been instrumental in establishing phenomenal growth repeatedly over a five year period. His key strengths are bringing process, people and product together for the overall improvement of many organizations.

In specific, he brings a wide range of skills from the manufacturing, high tech, media replication, retail, printing and publishing industries and most recently in transportation, insurance and financial services.

Given the diversity of his background, Richard has a keen sense of how to bring systems, process and functionality together. He will be a key player in shaping the future of the company as well as the process of the market segments that will shape the company's future for many years to come.

Richard's past experience includes owning his own consulting group for over five years, being a general manager and division director for R. R. Donnelly & Sons, and a marketing group director at Data General.
